Note re Item iv of A2 assessment procedure - Mock Classes

Aim

This procedure enables the assessment of judges prior to inclusion on an A2 list to take place in a situation other than a licensed show. It is essential that this procedure reflects exactly all the other aspects of assessment that would occur at a licensed show. The mock classes should be run exactly as they would be at a show. The assessment will take into account:

- Ring Procedure
- Appreciation of Breed Type

Requirements

A minimum of 12 dogs, preferably including dogs with enough variation in age and quality to enable the formation of at least two classes. It is helpful for some dogs to be in more than one class to see how the candidate copes with repeat entries.

- One steward
- Two assessors
- Ring laid out as it would be at a show

Procedure

This should in all ways follow standard show procedure.

The candidate will judge the dogs in exactly the same way as they would at a licensed show. This will include placing five dogs in order and writing a critique on the first two.

Assessment

The assessors will report their findings to the Kennel Club using the standard assessors' form.
